

# TBARTA

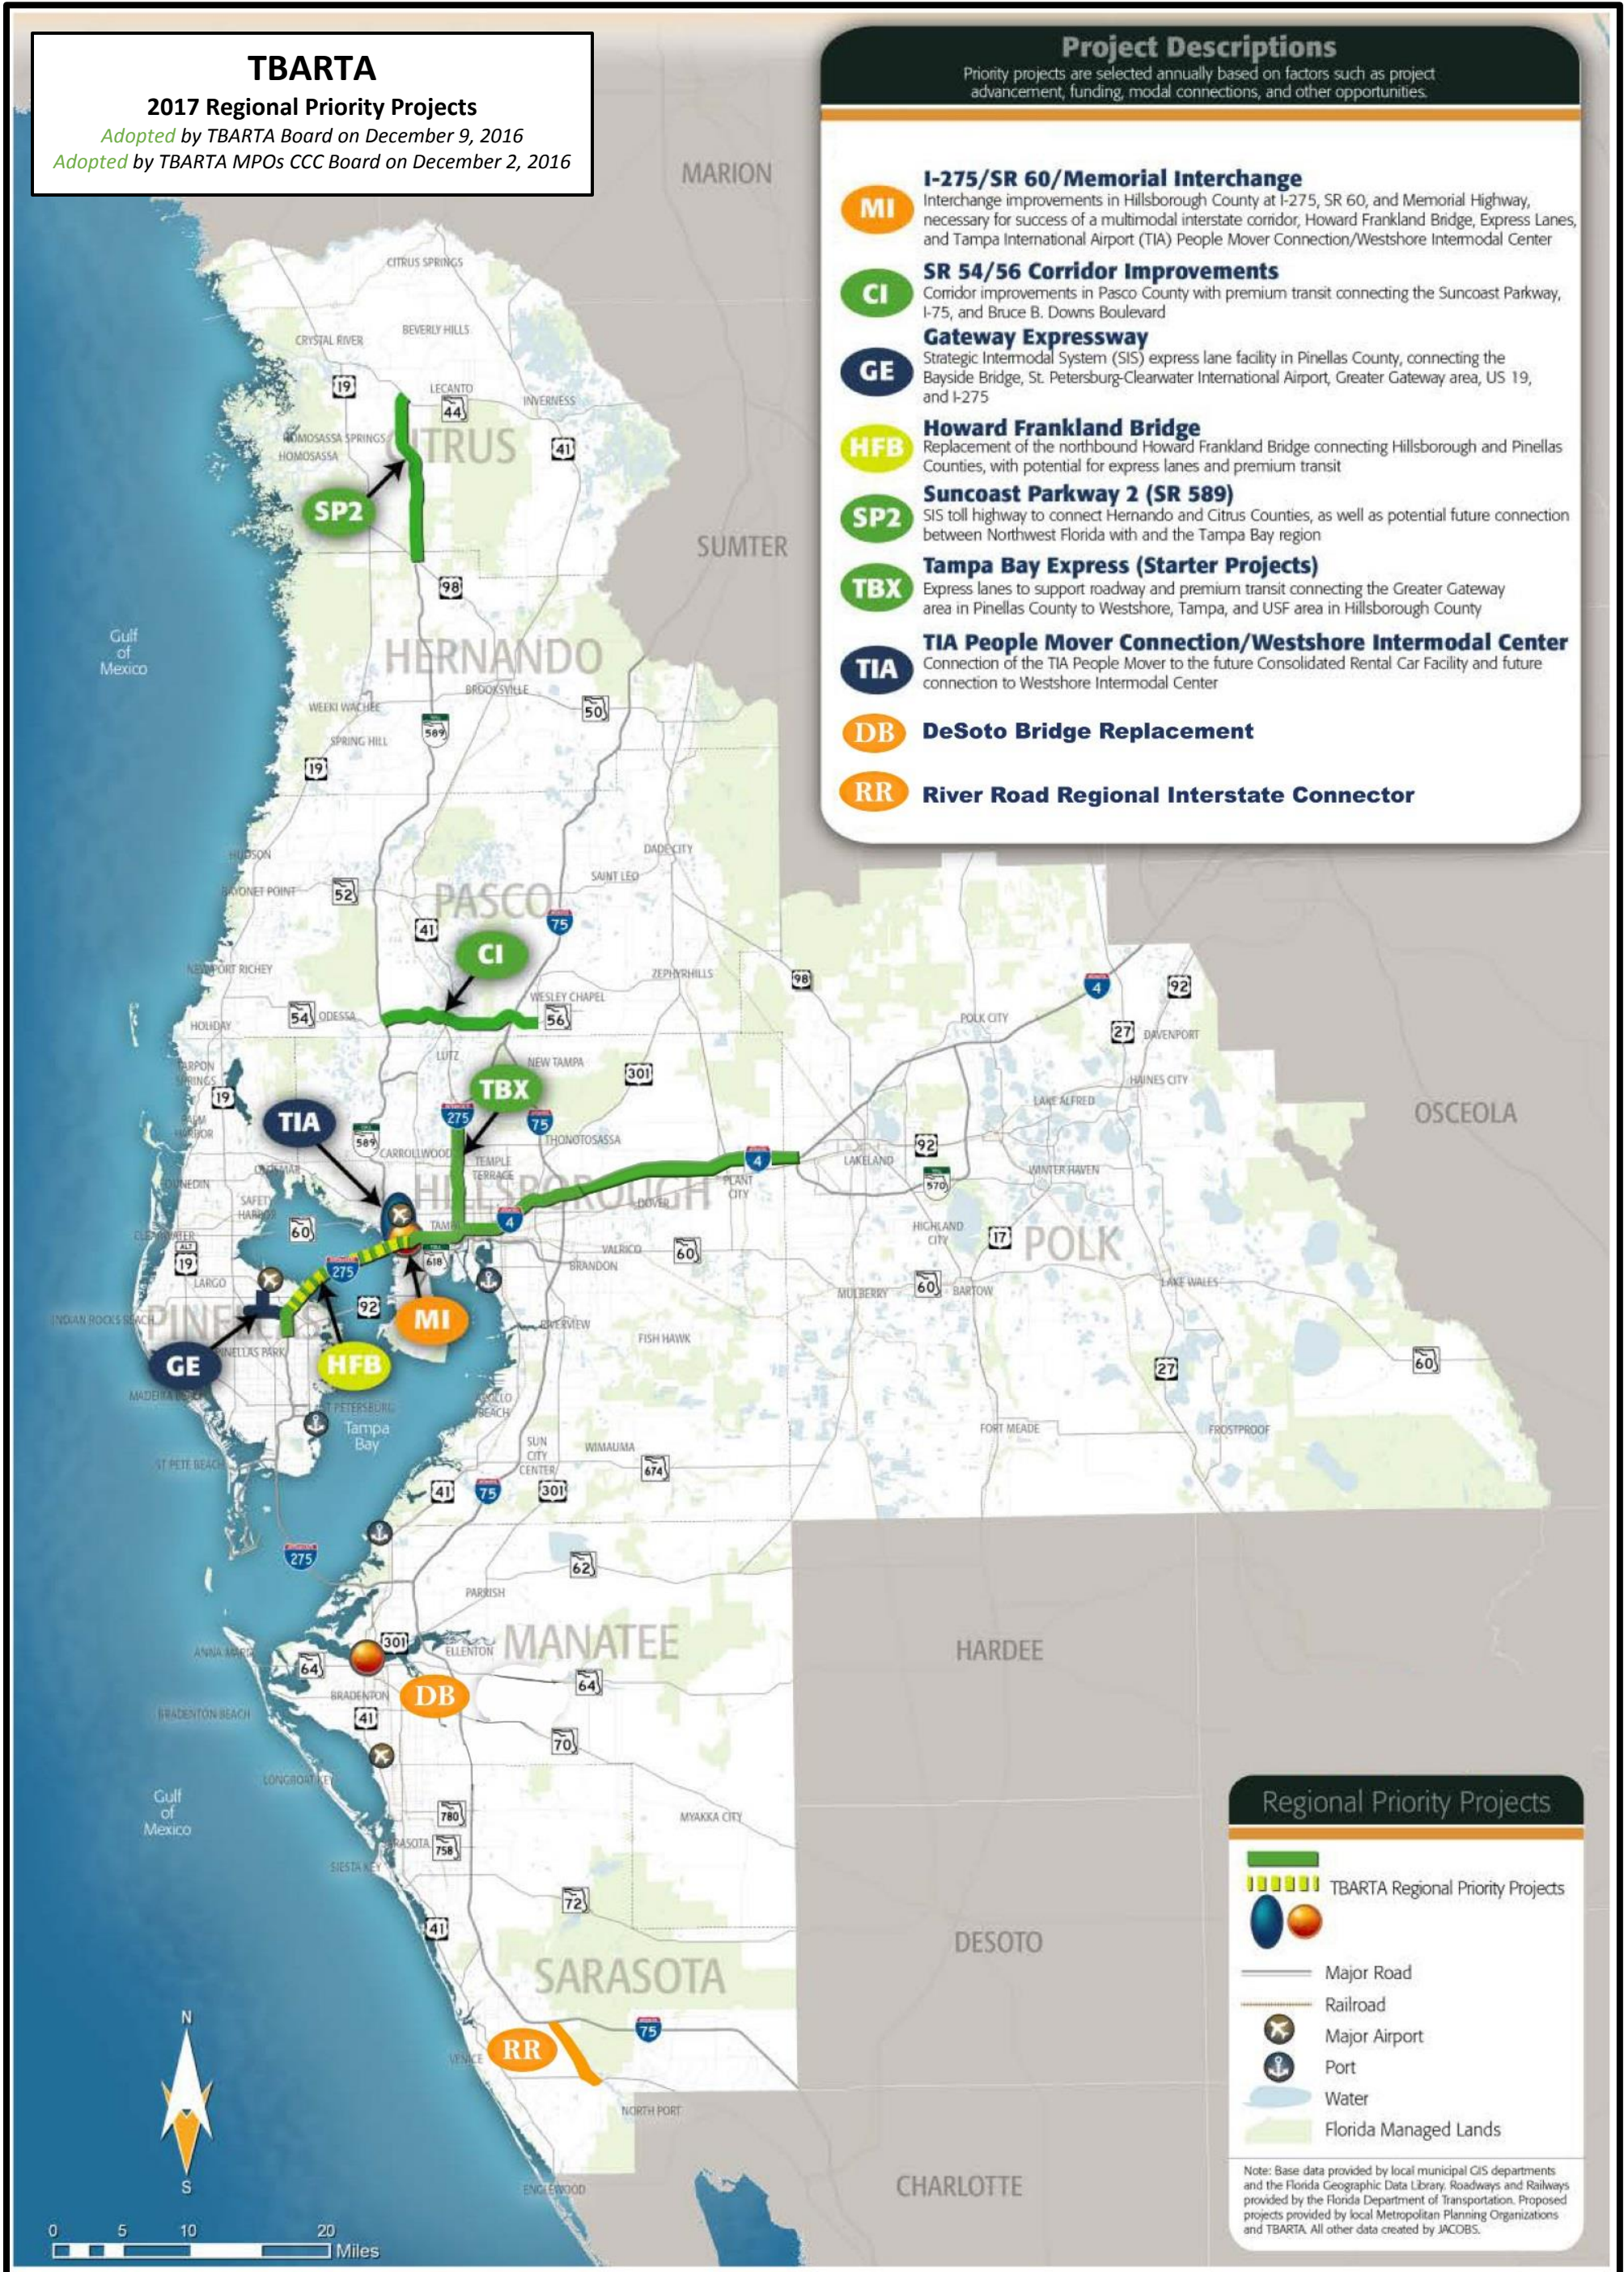

## 2017 Regional Priority Projects

Adopted by TBARTA Board on December 9, 2016  
 Adopted by TBARTA MPOs CCC Board on December 2, 2016

### Project Descriptions

Priority projects are selected annually based on factors such as project advancement, funding, modal connections, and other opportunities.

- MI** **I-275/SR 60/Memorial Interchange**  
Interchange improvements in Hillsborough County at I-275, SR 60, and Memorial Highway, necessary for success of a multimodal interstate corridor, Howard Frankland Bridge, Express Lanes, and Tampa International Airport (TIA) People Mover Connection/Westshore Intermodal Center
- CI** **SR 54/56 Corridor Improvements**  
Corridor improvements in Pasco County with premium transit connecting the Suncoast Parkway, I-75, and Bruce B. Downs Boulevard
- GE** **Gateway Expressway**  
Strategic Intermodal System (SIS) express lane facility in Pinellas County, connecting the Bayside Bridge, St. Petersburg-Clearwater International Airport, Greater Gateway area, US 19, and I-275
- HFB** **Howard Frankland Bridge**  
Replacement of the northbound Howard Frankland Bridge connecting Hillsborough and Pinellas Counties, with potential for express lanes and premium transit
- SP2** **Suncoast Parkway 2 (SR 589)**  
SIS toll highway to connect Hernando and Citrus Counties, as well as potential future connection between Northwest Florida with and the Tampa Bay region
- TBX** **Tampa Bay Express (Starter Projects)**  
Express lanes to support roadway and premium transit connecting the Greater Gateway area in Pinellas County to Westshore, Tampa, and USF area in Hillsborough County
- TIA** **TIA People Mover Connection/Westshore Intermodal Center**  
Connection of the TIA People Mover to the future Consolidated Rental Car Facility and future connection to Westshore Intermodal Center
- DB** **DeSoto Bridge Replacement**
- RR** **River Road Regional Interstate Connector**
