*The TBARTA Regional Public Participation (RP3) Working Group provides input to the TBARTA MPOs CCC Public Involvement Plan. Specifically, the input provided relates to public participation strategies, issues, and trends at the regional level. The group convenes quarterly, and works to facilitate the communication and coordination needed to evaluate the measures of effectiveness of past regional public participation efforts, and provide guidance in the development of Best Practices that inform the objectives, recommendations, and performance targets in the next regional public involvement plan.
